SQUARE DANCE GRAND SUCCESS

The Camp Fire Leaders square dance was a grand success with 16 squares dancing at one time in the Forward Club House with many more sitting around. There were many beginners and before the evening was half over they were all moving smoothly following nicely some of the more advanced calls. One lovely cake made by a Blue Bird was auctioned off by auctioneer Geo. Johnson and won by another Blue Bird father, Homer Blalock. There were many very attractive cup cakes for sale as well as punch and coffee. We thank the mothers for their cup cake donations.

The leaders promised the crowd there would be another square dance in about a month.

Sixteen members of the Brooklyn Square Dance Club came to the home of Mr. and Mrs. S. R. Close for a pot luck supper before the dance. The guests included: Mr. and Mrs.L. W. Bateman, C. F. Blair, L. T. Kitridge, Henry Christopherson, of San Diego, and Gene Miller, Fred Meyers, of La Mesa; John Koapmans, of Lemon Grove; Art Sherman, of Alpine.

Mr. L. W. Bateman was guest caller. Thanks to Mrs. Shafer and Mrs. Whiting for helping in the kitchen and Mr. and Mrs. Hemmer for taking care of the door.

Memorial Day Service

La Mesa Post 8514 V.F.W. and their Auxiliary are holding a Memorial Day Service at the Mt. Helix Amph on May 30, at 10:30 a. m. The public is cordially invited.

Y'S MEN ATTEND CHARTER NIGHT

14 Y's Men of Lemon Grove joined with eight Y's Men from San Diego in a very enjoyable motor trek to help usher in a new Y's Men's Club in Orange, on Friday April 29. As if co-operating with the endeavor, the sun shone brightly all the way over and the fog stayed high on the way back. Charcoal-broiled pound steaks topped the menu at the banquet. After a song-fest and period of general fun, the 230 attendants settled down to the serious business of chartering the new club and dedicating it to serve the children and youth of Orange.

Those who attended from Lemon Grove were Mr. and Mrs. William Arthur Thomas, Mr. Bill Poirier, Mr. and Mrs. Al Denlinger, Mr. and Mrs. Leo Cass, Chief Petty Officer and Mrs. Homer Blalock, Rev. and Mrs. Dan Apra, Carl Sunbury and Mr. and Mrs. David Apra.

The Lemon Grove Y's Men's Club is in the process of remodeling a garage into a club room and hobby shop for the Gray-Y and Hi-Y groups in Lemon Grove. Regular meeting nights are the second and fourth Wednesdays of every month, in the basement of the First Congregational Church, at 6:30 p. m. Any man who is interested in youth or children's work is invited to attend.

Merchants Support Cub Scout Jalopy Derby

The Lemon Grove Cub Scout Jalopy Derby to be held Sunday May 15, 1949 at 1:30 p.m. on Glencoe Hill, Monterey Heights, promises to be one of the biggest events ever to be held in the Grove. Competition amongst the merchants has developed into a very keen rivalry. When the tiny cars and their little drivers take off in their second derby it will give the parents and friends an idea of how much the merchants of Lemon Grove are responding to the support of our scouting organization

The opportunity the merchants have offered the Cubs to test their competitive spirits and abilities has given us something to be proud of.

Due to the limited number of cars there was not an opportunity for all merchants to be sponsors. However it is hoped that the remaining merchants will be doners so that each pilot can receive a prize. The response to last year's race gave every driver a prize that was greatly appreciated by the boys.

Following is the list of merchants sponsors and car number:

Car No.	Merchant
1	Donell Plumbing
2	Avalon Cafe
3	Firestone Store
4	Piggly Wiggly
5	E. H. Anderson's service

A list of drivers and prize doners will be published in a later issue.

Displaying Projects In Hardware Store

This is National Home Demonstration Week. San Diego County's Home Demonstration Agents, Mrs. Delphine Wilson and Miss Alma Carlson, work with different groups throughout the County. They have all the latest methods taught them through the Agricultural Extension Service of the University of California.

The Lemon Grove group is displaying some of their projects in the window of the Lemon Grove Hardware Store. The blouses and dress were made by women who hadn't sewed before joining the special beginners sewing classes.

The projects are varied; nutritious packed lunches, food preservation and canning, making a blouse, a dress or a tailored suit. Then there is hooked rug making, refinishing and recovering furniture and making draperies. There is help available in planning your kitchen and the convenience of well planned cupboards and drawer space.

All this is free to any homemaker who wishes to participate. This month's meeting is May 11, at the home of Mrs. H. Campbell, Costabella Street.

Achievement day is May 6, and the Center's entry in the County Fair will close the activities until September.

PAY TRIBUTE TO GEORGE W. CASTEEL

Thursday night's Lions Dinner meeting was to be an occasion to honor Bank officials who were responsible for the opening of the new First National Bank branch in Lemon Grove. The meeting turned out to be a testimonial dinner for Lemon Grove's leading real estate man, George W. Casteel.

Led by the bank officials, officers of the Lemon Grove Chamber of Commerce, etc., all speakers paid tribute to Mr. Casteel for his perseverance in demanding banking facilities for Lemon Grove.

Each speaker had a new story to tell about George's insistence that Lemon Grove needed a bank and his arguments for a branch bank.

Mr. Casteel figures on population and business available were disputed for years, but the facts presented by him had to be finally recognized.

Surprise Birthday Party

Maypoles and Maybaskets decorated the table at a surprise birthday party at the Wally Toomire home at 1646 Cameron Dr. The occasion was the eighth birthday of Philip, son of Mr. and Mrs. Toomire.

Philip's second grade teacher, Mrs. Alice See and her class participated in the happy occasion. The children played games, had folk dancing, saw movies and had movies taken of them which they will see at a later time. They also made a recording. Philip entertained them with piano and drum selections.

Those present were Robert Foster, Patrick Hale, Jacob Marshall, Gerald Monell, Charles Nottingham, Thomas Lemke, Martha Chambers, Linda Denlinger, Eva Blalock, Francine Frates, Carol Frisbee, Donnal Bell, Kay Gullikson, Dianne Hogan, Alice Hodap, Marsha Hogue, Celeste Loustalet, Marjory Lyons, Jackie Mouillesseaux, Sandra Nichols, Janice Pechstein, Shirley Ralston and Karol Rife.

Delicious refreshments were served and all agreed they had a grand time.

Dr. J. R. PHELAN SPEAKS TO BUSINESS MEN

The case against "Socialized Medicine " was presented by Dr. J. R. Phelan at the Lemon Grove Business Men's meeting Tuesday morning.

Dr. Phelan explained that the Medical Association is providing speakers for the campaign against socialized medicine. He reported on the condition in England and other countries where socialiism has been introduced. He showed the evil effects of socializing the Medical Profession. Lowered Medicel and Hospital services under socialism were the results, he said, when the objective was "improved services."

In the Question period the case against the present system was well brought out by Rev. Dan Apra, Mr. J. Parsons, Mr. Frank Higgins and others.

CELEBRATE FOUNDERS DAY

Beta Sigma Phi celebrated it's 16th Founders Day, Saturday April 30, with a banquet in the Gold Room of the Grant Hotel. Presiding over the affair were the following city council officers; Martha Clark, President; Una Clark, Vice President; Lavonne Ames, recording secretary; and Peggy Langford, corresponding secretary,.

Mrs. M. Clark acted as Toastmistress. A message from Walter W. Ross (founder of the sorority) was read by Mrs. M. Clark and a "Welcome to Pledges" was extended by Mrs. John Smith, Director of Lambda Chapter. The "Beta Sigma Phi Serenade was sung by Miss Margaret Butler, a Nu Phi Mu, from Lemon Grove.

Those attending from Lemon Grove's Theta Omicron chapter were Mmes. Willie Richardson, Frank Breenlee, Roy Butler Jr., Roy Tormondsen and Ted Haaf.

School News

Parents of the Lemon Grove children who participated in the Food Survey recently will be pleased to learn that their children compared favorably with national norms published by the food company which furnished materials for the survey. Fifty-seven percent of Lemon Grove children reported "good" diets, as compared to thirty-eight percent of children in reports of the national survey.

General Mills' nationwide survey was broken down into various geographical sections. California was grouped in the Mountain-Pacific section which reported thirty-seven percent of children with diets that were good and thirty-three percent with poor diets, compared to which Lemon Grove's fifty-seven percent diets that are good and twenty percent that are poor looks even better.

The twenty percent reporting poor diets, however, represents one child in every five. School people hope that, through continued nutrition education at school and continued cooperation of parents, this figure will be substantially reduced when a re-survey is made during the next school year. Fifteen percent of the children surveyed reported having eaten insufficient amounts of green and yellow vegetables. This was considered an unnecessary failure in a locality where fresh vegetables are available all year. Our large percentage of children reporting inadequate amounts of butter and margarine is thought to be due to the failure of children to report butter they had eaten on sandwiches, toast or bread.

Never esteem anything as of advantage to thee that shall make thee break thy word or lose thy self-respect.

GROVE ATHLETES STAR ON GROSSMONT TITLE TRACK AGGREGATION

Three stellar Lemon Grove track athletes helped the Grossmont High School track teams win first Coast League Championship in the all-conference meet held last week end at Compton. Grossmont won the title in the Varsity division and finished in third place in the Class "B" competition.

Danny Barker, son of Captain and Mrs. E. F. Barker won fourth place in the pole vault in the varsity division. Tony Wetter, son of Mr. and Mrs. Al Wetter, covered himself with glory when he established a new Coast League record and a new Grossmont School record when he tossed the shot 51 feet 3 inches, eclipsing the former league record by 1½ inches.

Bill Terry, class "B" pole vaulter, came within a whisker of tying the existing league record when he placed first in the vault with an effort of 11 ft. 11¾ in., a mere quarter of an inch under the standard.

All three boys won medals for their efforts.

GROVE THEATRE SOFTBALL NINE BEATEN 11 TO 8

Jack Steiner's all-stars lowered the boom on the Grove Theatre Flickers in a softball game played last Sunday at the Lemon Grove School diamond. It was the first game of the season for both squads with Steiner's team coming out on the long end of a 11 to 8 count.

Eddie Lewis, Steiner pitcher, completely baffled the Flicker nine and had the game under complete control from the first inning. Home runs by Curt Smith and Daniel Stalnaker for the Flickers and Jack Steiner and Ernie Geribay for the winners featured the game.

Lineups for the game were, Flickers: Marlow, M. Seward, Barker, Herred, Stalnaker, Delevan, Brand, Smith, Stabby and Schmidt.

All Stars: Steiner, Lewis, Ruis, Castellnous, Geribay, Alvarez, Adams, Kerasosa, Cota and Hertay.

Next Sunday the Flickers have scheduled a game with the Monterey Heights nine led by Don Brannon. The game will be played at the school diamond starting at 2:00 p.m.

SENSATIONAL FOUR-CAMERA TECHNIQUE USED FOR FIRST TIME IN "THE PARADINE CASE."

A radically important innovation in the filming of motion pictures was successfully instituted in "The Paradine Case" by Alfred Hitchcock when he utilized four cameras to photograph four different subjects simultaneously in the same scene.

Alfred Hitchcock's "The Paradine Case" is the production in which multiple photography is being used for the first time. Multiple camera photography has been used previously but all the cameras have been trained on the same subject. Hitchcock's method achieves enormously increased benefits to the players who are enabled to perform precisely as if they were acting in a stage performance.

The four subjects being simultaneously photographed on the perimeter of Hitchcock's "wagon on wheel set-up" were:

(1) Gregory Peck and Charles Coburn, the Defense Attorneys.

(2) Leo G. Carroll as the Prosecuting Attorney.

(3) Charles Laughton, the Judge.

(4) Louis Jourdan as the witness.

The eight cameramen working the four cameras are under the supervision of Lee Garmes.

'The Paradine Case" opens at the Grove Theatre next Tuesday-Wednesday and Thursday.

FIRST DEPOSITOR AT LOCAL BANK

On the lighter side of the question there were many amusing incidents at last Thursday's Lions Dinner meeting.

The outstanding sensation was provided by Dr. Weege. With a cotton sack (full of money, we guess!) and accompanied by an armed guard, Dr. Weege arrived at the dinner right after everyone had been seated, approached the head table and made his deposit with the bank officials..

Money not being the objective the bag was put down unopened in a corner of the hall and the dinner enjoyed by all.
